

## **REMARKS**

Very thanks for Examination's suggestion and thanks for finding some citations about the present invention, thereby, the applicant may know more information about the invention. This case has been carefully reviewed and analyzed in view of the office action.

Since in the office actions, the claims 5-7, 10-14, 16 and 17 are allowed. The applicants cancel other claims and remain the claims 5-7, 10-14, 16 and 17. The amendments about the claims 5, 10 and 17 just make the claims match the requirement of U. S. patent. Not any content is changed.

Applicant requests and authorizes Examiner to amend the claims of the present invention so that the claim can match the requirement of U. S. Patent. Attentions of Examiner to this matter are greatly appreciated.

It is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectively requested.

Respectfully submitted.
